2021 KCF TRYOUTS FOR INCOMING FRESHMEN

SUNDAY, MAY 2nd @ 2:00 PM

CY-FAIR HIGH SCHOOL BASEBALL FIELD

Dear Parents/Players:

This tryout is for all incoming 9th graders who are interested in playing baseball for Cy-Fair High School. All additional information regarding the tryout and the KCF Summer Baseball League can be found on the website at www.kcfbaseball.org. In order to try out, you must fill out the online registration forms at the KCF website then print out the confirmation email and bring it with you on the tryout date. You must also have a current 2020-2021 physical on file with the school trainers.

Here at Cy-Fair, the KCF Summer League is very important in the progression of our program. All players who make the team are expected to actively participate in our summer program. Please make note of the projected schedule and make any necessary adjustments in order to make our summer team a priority. We understand that most players play on various select/travel teams in the summer as well. We encourage players to do so, but our expectation is for your select/travel ball schedule to be built around our schedule for Cy-Fair High School.

Here is the projected schedule for this summer:

The KCF Summer League regular schedule will run from June 7th – July 15th.

Freshmen will play on Mondays OR Wednesdays

There will be two tournaments:

Mid Season Tournament (June 24th-27th); Post Season Tournament (July 16th-18th)

Yours in Baseball,

Billy J. Hardin - Head Baseball Coach
