

2021 Bobcat Baseball Tryouts Info

Tryouts will be held Friday, Saturday, & Monday - Jan 22nd, 23rd, & 25th

Friday will be a “pro showcase” tryout (5-8pm).

Saturday will be a scrimmage format (1-4pm).

Monday will be a regular practice format (5-7pm).

All players will be evaluated each day. After Saturday’s tryout, cuts will be made and those that have not been cut will have their tryout number listed on the baseball website (bfndbaseball.com) around 8pm. Those players that have their numbers listed will need to come back on Monday. **If a player’s number is NOT listed, that player has been cut and will not make a team this season.**

Monday will be the final tryout and those that make the team will have their tryout number listed on the website again (around 9pm). **If a player’s number is NOT listed, that player has been cut and has not made a team this season.**

Any player not making a team is welcome to come and speak with the coaches in person and inquire about their tryout. The coaches will not answer emails or phone calls from parents about their son’s tryout. All tryout decisions are FINAL.

All players making a team will be required to provide/purchase the following for practice/games:
